The Architectural Control Committee wishes to advise the RLA Board of its activities since the last written report of July 2010.

Approval has been given to Richard and Judith Lightner, 918 Streamside Drive, Lot 26 Filing 2 to build an extension on to the existing garage. Work is currently underway.

Approval has been given to Steve and Janene Hawkins, 1150 Bulwark Ridge Drive, Lot 28 Filing 4 to build a detached garage. There is a home on the lot. Work should be starting this month.

Work is underway at the previously approved location, 38 Barking Coyote Court Lot 7 Filing 4 for a new home.

Earth work has been started for Justin and Kay Edwards, Lots 8-9, Filing 4, 27 Barking Coyote Court. A complete application is forth coming after material considerations are completed.

A number of members have contacted the ACC with planning questions and ideas.
