The Architectural Control Committee wishes to advise the RLA Board of its activities since the last written report in November, 2010

We are pleased to advise that Jan Ricker has become a member of the Architectural Control Committee. We feel that her Retreat experience and commitment will be a real asset to the committee.

Approval has been given to Peter and Stephanie Sinnott , 22 Saddle Court, Lot 36 Filing 2, for a detached storage building. Construction has commenced.

Approval was given to Justin and Kay Edwards, 27 Barking Coyote Court, Lot 9 Filing 4 for a pole barn. Construction is underway. Later a home will be constructed on this lot.

Construction is underway for a previously approved garage extension for the Lightners, 918 Streamside Drive.

There are no applications pending nor are any anticipated during the next few months.
